NEOVI®

If you decide or must settle for an urban lifestyle with increased environmental pollution, you will gradually experience the negative influences and health complaints "up close": premature skin aging, profound skin disorders, color irregularities or redness, as well as hair loss. Therefore, you should deal early with detox and set the sails differently to protect your skin.

The NEOVI team has been working on the topics of *Detox* and *Antipollution* for a long time to develop revolutionary formulas for the future of health and aesthetics.

We are pleased that we are working in this path in a creative way to find a solution to prevent the invisible, adverse and late effects of pollution.

NEOVI®

DETOX & ALL IN ONE ANTI-POLLUTION + ANTI-AGING

MULTI-PROTECTION SKINCARE FOR
DAYTIME WITH
SPF 30
UVA + IR + UVB

Suitable for all skin types,
including sensitive skin.

DETOX & ALL IN ONE ANTI-POLLUTION + ANTI-AGING

FACE CREAM with SPF 30 is a multi-protection skincare cream for daytime. The rich formulation with vitamins, natural and marine ingredients has been developed to counteract the effects that UV rays, free radicals and other harmful environmental influences can have on the skin and thus protect the skin from premature aging. It is particularly suitable for persons living in larger cities and showing signs of stress, such as sallow complexion, sagging skin, wrinkles, pigment spots and /or blemishes. Three highly effective anti-aging ingredients make for strong, resilient cells and more beautiful skin.

DETOX & ALL IN ONE
ANTI-POLLUTION + ANTI-AGING

PRODUCT BENEFIT:

- Anti-pollution (increases the skin's resistance to environmental pollutants)
- Anti-oxidant (effective protection against free radicals)
- Protection from sunlight and UV light induction
- Protection from IR radiation
- Protection from premature skin aging
- Protection against pigmentation
- Preserves the skin's smoothness
- Moisturizing and moisture- retaining
- Supports the skin's natural regeneration
- Reduces irritation
- Improves skin tone

RESULTS

The skin receives perfect protection and care against UV rays, free radicals and negative environmental influences to preserve its youthfulness, radiance and smoothness.

DETOX & ALL IN ONE
ANTI-POLLUTION + ANTI-AGING

INGREDIENT CONCEPT:

- **DETOXYL® OP** is an aqueous glycolic detox complex containing shea butter extract. The complex is rich in gallic acid and epigallocatechins and demonstrably protects the skin from pollutants such as nicotine, lead, chlorine and exhaust fumes. Effect: **DETOXYL® OP** complexes metal ions such as iron and lead, detoxifies cells and reduces radical chain reactions and irritation.
- **EPIDERMIST PLANKTON** is a multi-functional anti-aging ingredient derived from marine plankton and can visibly improve skin tone. Plankton extract optimizes the physical and chemical barrier function of the skin and improves its moisture content. The result is improved skin quality and an uniformly radiant complexion.
- **CLODESSINE** is an anti-aging peptide, extends youthfulness and life span of the skin cells. Reduces wrinkle depth, increases skin elasticity, enhances the natural defense and detoxification mechanism, improves radiance and protects against premature aging due to everyday stress. Clodessine also helps improve skin texture and quality, which reduces the number and size of pores.
- Comprehensive **UVA** and **UVB** protection thanks to **UVA** and **UVB** sun protection filters like **UVINUL** and **TINOSORB**, a reliable protection against skin aging, wrinkles and skin cancer.
- **IR**-protection thanks to microparticles **TINOSORB®M**.

- **VITAMIN A** supports the skin's natural regeneration, increases mitotic activity, elevates enzyme activity, normalizes the keratinization, improves the epithelialization, helps for thickening of the epidermis and regeneration UV-damaged skin.
- **VITAMIN C** has an anti-oxidant effect, stimulates collagen synthesis and reduces wrinkles and protects against light-induced skin aging.
- **VITAMIN E** obtained from cereal-germ oils moisturizes the skin, protects from the negative effects of free radicals and prevents premature aging of the skin.
- **GALACTOARABINAN** a multifunctional polysaccharide obtained from larch bark, moisturizes and can reinforce the effects of sun protection filter substances.
- **GLYCEROL** has a moisturizing effect.
- **GLYCYRRHETINIC ACID** an ingredient in liquorice root extract, has exceptional anti-inflammatory properties.
